

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office
FLOOR DEBATE

January 28, 2002 LB 112

SENATOR DW. PEDERSEN: I would agree.

SENATOR BROMM: Okay, thank you, Senator Pedersen.

SPEAKER KRISTENSEN: One minute.

SENATOR BROMM: I support the bill, certainly don't have any objection to the amendment, and would encourage the body to advance it.

SPEAKER KRISTENSEN: Senator Engel.

SENATOR ENGEL: Mr. President, members of the body, I, too, support the bill and the amendment, and I'd just like to make a quick comment on what happened this morning, too. I believe that we have kooks inside and outside that are...they're able to enter our Legislature because it is not a prison. But they are outside too and they are...they are strange people and I don't think we can ever legislate anything against them. I also agree with Senator Chambers as far as your employees. When I was in business, the buck stopped with me. I did not pay them enough to take the type of abuse that some of them take. And same way in the Legislature, I do not...we do not pay them enough here to take the abuse. But I do support this legislation because I think it's so important that we provide more...more opportunities for these inmates to work and to make some money. And a little later on, I have a bill coming before a committee that will expand the work force within the prison system. So I do support the bill. Thank you.

SPEAKER KRISTENSEN: Senator Wehrbein.

SENATOR WEHRBEIN: Mr. Speaker and members, I may have missed some of the debate and I don't know whether Senator Baker or Senator Pedersen would answer my question. It is in relationship to Senator Chambers' amendment. I am assuming the classification of those that will be out working, there are more available than there is work to do, and that they would not need shackles under any kind of circumstances. I would support Senator Chambers' amendment but I wouldn't think that it would
